

In 2010, Kamdin won the Audrey Rosengrant Memorial Award for Professionalism for his efforts in raising Autism Awareness, on his own, raising \$1,100 for Autism Speaks.

We are writing you to because you are a local business, interested in helping your community. STAT is planning exciting events now through September surrounding an extraordinary 10 year old Slingshot race car driver named Kamdin Maby. This is Kamdin's 2<sup>nd</sup> year driving at the Wyalusing Valley Motorsports Park.

Prior to last year's racing season, Kamdin had a remarkable personal experience and from that experience, he decided to dedicate his racing season to Autism and to promote awareness, raising money for Autism Speaks. With his season coming to a close October 2010, he was disconcerted to find that the money he had raised was going to California.

This year, Kamdin chose STAT, Southern Tier Alternative Therapies, a local public charity that serves individuals with Autism and many other developmentally disabled individuals.

*Kamdin's goal for the inaugural STAT Racing Season is to raise \$5,600. (Kamdin #56K)*

We know that the children of today are the leaders of tomorrow and we want to give them every opportunity to achieve their maximum potential. *Just look at what Kamdin is doing!* He is giving children with special needs the hope for a brighter future. Kamdin is confident that the mission of STAT is exactly where he wants his contribution to go. **Go Kamdin!** He needs your help to make this season a success and even surpass his funding goal. How can YOU help?
